

## **Crocodile Swim Meet Workers Frequently Asked Questions**

### **What time do I need to arrive at the meet?**

If you are a first half worker, you need to arrive at least 15 minutes before the meet is scheduled to start. If you are a first half stroke/turn/place judge, timer, or lane slip runner you must attend a brief meeting 15 minutes before the start of the meet. The location of the meeting will be announced over the speaker. If you are a second half worker, you should arrive by 8:00.

### **Where do I report for my job?**

This depends on what job you are doing and whether you are a first or second half worker as follows:

Starter – See Cindy Becker

Split the Pot – See Cindy Becker

Clerk of Course – See coaches to get lane slips.

Organizers – See coaches for line-ups. See Bartley Jutze with questions.

1st Half Judges, Timers, and Lane Slip Runners – Go to the pre-meet meeting.

2nd Half Judges, Timers, and Lane Slip Runners – See the 1<sup>st</sup> half person you are replacing.

Ribbon Table – Go to Ribbon table.

Concessions – Go to grill/concessions area.

### **Do I need any special training?**

The only positions that need special training are stroke and turn judge. Training for these positions involves attending a 1 hour clinic at Madeira. Certified YMCA or USA swim officials do not need to attend the clinic in order to be a turn or stroke judge. For all other positions, training is provided “on the job”.

### **Do I need to bring anything?**

No. All supplies are provided.

### **How will I know what to do?**

If you are a timer, judge or lane slip runner, this will be explained at the pre-meet meeting. For all other positions, an experienced meet worker will show you what to do.

### **Will I get a reminder that I am supposed to work?**

Yes. You will receive an e-mail the a few days before the meet. Please reply to that email when you are scheduled to work so the Worker Coordinator knows you will be there.

### **What do I do if I am signed up to work at a meet but can't work that meet?**

Contact someone who is working another meet and work a trade with them. After the trade is arranged, contact Bartley Jutze to let her know.
